1. Teams to consist of 5 pairs, confined to players 11.5 **handicap index** and over as at 1st **May** 2021. Each match to be played off **Course Handicap of the course being played,** subject to a maximum effective **handicap index** of 14.5.
   A playerwhose **handicap index** is reduced below 11.5 after 1st **May** 2021 is still eligible to play in the competition but must play off the reduced **handicap index** and concede additional shot(s) where relevant.
   Players must belong to an Adult Category of membership of their clubs. Any breach of this rule as regards a players eligibility will result in the disqualification of the offending team.
2. In all rounds to the FINAL, the club at the top of the draw has three matches at home.
3. The FINAL will be played on a two-leg home and away basis, with five matches in each leg. The first leg of the FINAL to be played on the course of the club at the top of the draw.
   Handicap indices for the 2nd leg shall remain unchanged from the first leg.
4. All matches to be played to a finish, except in the final. In the final, halved matches will count. In the event of a tie, after the second leg of the final, the last match alive will play sudden death, starting at the first tee.
5. Customary procedure for taking shots in Fourball Match-play to apply, i.e.: - 90% of the Players' **Course Handicap of the course being played, then higher handicap players take full difference in playing handicap from low player.**
6. Matches in each tie should commence not later than 3.00p.m, except for the two legs of the final when matches should commence not later than 2.00pm.
7. No extensions will be granted without reference to the Committee, who may, in exceptional circumstances grant an extension. If a match is unplayed by the closing date, both clubs will be **disqualified, unless one of the clubs has received a walk-over. Team Managers should exchange lists containing their teams names in order of play and the names of substitutes at least ten minutes before the start of play. The lists should show the current** handicap indices **of all players and substitutes.**
8. Distance-Measuring Devices. The GUI local rules and tournament conditions with regard to the use of Distance-Measuring Devices shall apply in accordance with Rule 4.3. of the R & A Rule Book 2019.
