

Winter League 2020

Sponsored by

8 Sundays from 18th October until 6th December inclusive

- Create your own team of 4 players (Men only). Teams pick their team name.
- Paper entry sheet in the Pro Shop. (Closing date for entries: Fri 16th October).
- €20 entry fee per person.
- Junior rules apply (also only 1 junior per team of 4 permitted).
- Five Day Members not eligible to enter.

Committee will put names on BRS at closing date and entry fee will be taken through BRS so please make sure you have enough money in your account. Make sure also that your teammates are all topped up so you can get on sheet together easily.

New Members and those without a group of 4

If you don't have 4 players, put your name down anyway and the committee and shop will assist in completing a team for you.

Format will be Two Man Team each week with best score to count on each hole. Team decides on the pairings each week with the best pair from team each week counting for league points.

If only 3 from a team is available on a given week then the usual low man rule applies and therefore the team can have 2 pairings with the low man partnering both of the other 2. Minimum of 2 from a team required to play each week.(otherwise zero league points).

Weekly league points are based on a team's best pair's position each week as follows: 1st - 20, 2nd - 17, 3rd - 15, 4th - 14, 5th - 13.... All the way down to last. (if 2 pairs from a team play only best one counts for league). In the event that there are less than 20 teams, there will be a pro-rata distribution of points, e.g. 1st – 15, 2nd – 13, etc.

If there are only 2 from a team on a weekly timesheet with no opposition they may play and mark their own card.

Teams count best 6 from 8 weeks scores

If there are any course closures during the league, the following applies, 5 from 7wks, 4 from 6wks, 3 from 5wks and so on.

No handicap cuts for league. However, as winter cuts will apply to the regular Sunday competitions, each Sunday you must enter separate cards for the league and the Sunday competition.

Each week's regular competition can be played by league and non league entrants.

Committee's decision is final on league cancellations due to weather delays or course closures
