## **League Rules & Info**

**Initial league entry must be done via BRS “Mens Winter League 2021”. Sheet now live. Entry €20 per person. Each line of 4 equals one team.**

**Competition format rules will be on BRS banners for each week.**

**All 4 players don't necessarily have to play every week but it will help!**

**WHS Handicap on each week will apply. Normal calculation of playing handicap applies each week depending on format. Temporary winter cuts from any other competitions don't apply to league.**

**On weeks where it's not a 4 man team event, your team don't necessarily have to play together. Your 2 pairs could play at different times if you want.**

**If you only have 3 players available for a 2 Man Team or Fourball the lowest handicapper may partner the other 2 players to make up 2 pairs.**

**Points for each week will 25 for first place then 22, 20, 19, 18 and so on down to 1. (This may change before week 1 depending on number of entries)**

**Best 6 from first 7 weeks will count & the final week must count.**

**If any of the first 7 weeks are cancelled for any reason then 5/6 , 4/5, 3/4 etc will apply.**

**If any week is delayed for any reason and any league entrants who were on the timesheet can't play due to the delay then this league week is void for all even if play commences at a later time that day.**

**If the final day is cancelled then it will be replayed on Sun 5th Dec. (tbc before week 1 begins)**

**League table will be published each week and there will be a scoreboard in the pro shop that will be updated before each Sunday morning.**

***Fourball Stableford Multiplier Rules* - Played in pairs like a normal fourball, both players stableford scores are multiplied to give the score on each hole, if one player scratches the hole the score will be zero, if both score 3pts the score is 9pts and so on. High pressure as scratches must be avoided!**
